 - The options to site a large new village hall on land purchased from local landowners have been exhausted. Therefore the Trust's working party have revisited the land at Church Green, which is owned by the Diocese. Indicative plans for a smaller village hall, with capacity for 75 people standing or for 50 people seated, to be sited on Church Green, were put to the meeting and approved by the Trust.
 - The next step is for the Diocese to give approval to the indicative plans and then for a pre-application to be made to East Hampshire District Council.
 - The Trust approved the payment of an invoice for £500 plus VAT, £600 in total, from Davtee, the building consultancy who have been working with the Trust's working party to provide the indicative plans.
